PRAYER VERSES

"Then he said to me: **Prophecy** over these bones, and say to them: Dry bones, hear the **word of the Lord!** Thus says the Lord God to these bones: **Listen!** I will make breath enter you so you may **come to life**. I will put sinews on you, make flesh grow over you, cover you with skin, and put breath into you so you may **come to life**. Then you shall know that I am the Lord."

Focus

Week 2

India is in a dreadful state right now, probably the worst she can ever be. To the people living there, his land is now filled with hopelessness and illnesses, a land that is dead, literally dead bodies lying all around. What about us, the people of God, when we look at this situation? What is our role? What can we do? What can we say?

This is God's **appointed time** not just for India but for the church. Arise in our priestly role and **pray**. Collectively and courageously, we will pray in **faith**, speak **life** and speak the **word of God** into India and the Nations. India needs a Revival, Restoration & the Revelation of Jesus.
